MARVELOUS RESUL TS

From a liter written by Rev. J. Gunderman, of Diamondale, Mich. we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the re-sults were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with Pneumonia succeeding La Grippe. Terrible parox-ysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend ommended Dr. King's New Disco ery, it was quick in its work and highly satisfactory in results." Trial bottles free at Geo. Van Werden's Pharmacy, 228 N. Main street and G. TALK ABOUT DOOLIN. Bill Doolin is still the subject of much discussion here. There are several storles about him. Among them is one that he made a bargain with Nix for half the reward and allowed himself to be captured is still going the rounds. An attempt to add to its plausibility is made ling attention to the fact that Mrs. Bill Doolin, who was in town a day or two since, has suddenly departed. If Doolin made any such bargain it will prove a sorry one for him. Nix is no longer in a position to grant Bill Doolin any favors. The last description of Bill Doolin's nobility of character is the following from the Blackwell Times-Rec-

ord: "John Hunter, living three miles west of town has know Bill Doolin for years, and in the years past, when John was boss of a big ranch here in the strip, Bill Doolin worked under him and for adjoining outfits.
